Celebrate Albee's Birthday with Tempus

Tempus Theatre will be celebrating Edward Albee's 79th birthday after the Sunday, March 11th performance of **A Delicate Balance**. Join the cast for an after-show party featuring birthday cake, champagne and a few surprises to celebrate the life and achievements of this critically acclaimed playwright, one of the living greats of world theatre.

A Delicate Balance is funny, intense and ultimately tragic. With their home-life already under strain from an alcoholic sister and a daughter fleeing her fourth marriage, Agnes and Tobias find their lives further unbalanced when their oldest friends arrive at their door seeking shelter from an unnamed terror. Their arrival forces the comfortable, middle-aged couple to negotiate the delicate balance between charity and self-protection. The first of three plays for which Albee was awarded the Pulitzer Prize – *Seascape* and *Three Tall Women* were the others – **A Delicate Balance** packs just as potent a punch today as it did 40 years ago.

The cast includes the acclaimed actors Terence Kelly and Anna Hagan (a couple in real life), playing Tobias and Agnes, as well as Teryl Rothery (Janet Fraiser from *Stargate SG-1*), Bert Steinmanis, Valerie Sing Turner and T Weir. The production is directed by Anthony F. Ingram.

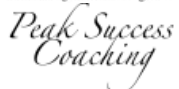

Join us at the Jericho Arts Centre for gripping drama and a celebratory drink.
